The Grüner Veltliner Mollands is a local wine that grows on various vineyards with loamy soil on stony, loess-containing subsoil at approx. 340m above sea level. The cool nights during the hot summer days give the Veltliner its fruity note. Our Grüner Veltliner Mollands 20 is a pleasantly light, mineral Veltliner with an invigorating finish. With its 12% alcohol it is easy to drink and still enchants with beautiful fruit and spice. It goes perfectly with a hearty snack or typical Austrian home-style cooking (e.g. roast pork, schnitzel, meat dumplings)
