Aging	Stainless steel tank, Big wood barrel
Drinking temperature	12 °C - 14 °C

The 2017 variety has an intense scent of exotic fruits such as maracuja and passion fruit, plus a nice spiciness on the palate. A beautiful full-bodied wine with a strong body and a long finish and a lot of character. The variety does not only stand out due to its taste, the bottle was decorated with a special base color image. The picture was made from self-generated colors from Molland's own floors and painted together with Caritas Schiltern Castle as part of a workshop with residents and their carers. For every bottle sold, an amount goes to Caritas Schloss Schiltern in return. www.schiltern.caritas-stpoelten.at
