The Yellow Muscat is a relatively young vineyard (approx. 20 years old) and grows on stony south-east terraces on the Mollandser high plateau in the Steinleithen vineyard at approx. 320 m above sea level. After hand-picking and spontaneous fermentation, the yellow muscatel was poured into a steel tank to mature on the fine lees for 9 months. Bottled in summer 2020, the yellow muscatel 2019 is fresh, fruity - beautiful elder blossoms on the nose - pleasant acidity, mineral and tangy. A great wine for sunny, warm days.
