The Grüner Veltliner Mollands is a local wine that grows on various vineyards with loamy soil on stony, loess-bearing subsoil at about 340m above sea level. The cool nights during the hot summer days give the Veltliner its fruity note. Our Grüner Veltliner Mollands 21 is a pleasantly light, mineral Veltliner with an invigorating finish. With its 11.5% alcohol, it is easy to drink and still enchants with beautiful fruit and spice. It goes well with a hearty snack or with typical Austrian home cooking (e.g. roast pork, schnitzel, meat dumplings)
