Sweetness	dry
Contents	0.75 liter
Alcohol level	11.5 vol%
Dish	fish, salads, barbecue
Vineyard site	Mollands
Soil	Loam
Drinking temperature	10 °C - 12 °C

Our rosé is made exclusively from Zweigelt grapes. Zweigelt is a typical red wine variety in Austria and was developed in 1922 by Dr. Zweigelt crossed in Austria. The approx. 20-year-old vines grow on loamy clay soil. When harvesting, great attention is paid to healthy grape material and if botrytis is already involved, then a proper selection takes place. After a short maceration time, juice is extracted from the red wine mash and processed like white wine. This gives the beautiful pink color. The wine is very light and easy to drink and is therefore an ideal summer wine. It goes well with grilled dishes, light fish dishes and summer salads.
