The Gelber Muskateller is a relatively young vineyard (approx. 25 years old) and grows on stony south-east terraces on the Molland high plateau in the Steinleiten vineyard at approx. 320m above sea level. After hand picking and spontaneous fermentation, the Gelber Muskateller was filled into a steel tank to mature on the fine lees for 9 months. Bottled in the summer of 2022, the Gelber Muskateller is refreshing, fruity - beautiful elderflowers on the nose - pleasant acidity, mineral and sparkling. A great wine for sunny warm days.
